## New Sales Record Set for Month of August

### August, 2015

(September 3, 2015 – Hamilton, Ontario) The REALTORS® Association of Hamilton-Burlington (RAHB) reported 1,300 sales were processed through the RAHB Multiple Listing Service® (MLS®) System in August. Sales were 7.2 per cent higher than the same month last year and 12.4 per cent higher than the 10-year average.

There were 1,833 properties listed in August, an increase of 16.9 per cent compared to August of last year.

"Despite the increase in number of properties listed, end of month listing inventory was still 9.5 per cent lower than last year," said RAHB CEO George O'Neill. "There is slightly over two and a half months of listing inventory – more than at the end of last month, but still low enough to leave our area in a seller's market."
